

We welcome Ms. Gomez and Ms. Davenport to Holy Family School as our Spanish teachers. Holy Family has contracted with Los Monitos Language Center which provides instruction, translation and interpretation in many foreign languages. Our instructors are continuing with our established foreign language program. We were pleased to hear that our students were more advanced than most schools and the instructors are excited to continue moving them forward. Due to the fact that we have changed teachers and instructional materials in Spanish our program grading will move to a pass/fail grade for the remainder of this school year.
