The Virtue of Gratitude

Being grateful for your blessings, talents, and friends and expressing your appreciation to others is what gratitude is all about. During this month our students spend time reflecting on their many blessing. I also have been thinking of the many blessings I experience daily at Holy Family. I'm grateful for the blessing of children that feel safe, feel a part of this community and feel loved by their

teachers and various staff members in the school. I'm grateful for the blessing of parents that make the commitment to Catholic education and faith formation for their children. I'm grateful for the blessing of a parish community that sees the mission of Catholic education as paramount to parish life. I'm grateful for the blessing of a School Board and PTO committee that share their vision and talents

improving our school for the benefit of all of the students. I'm grateful for the blessing of dedicated employees of the school that share their love of education, their love of the Catholic faith, and their love of children with every child they come in contact with each day. I'm grateful for the blessing of a pastor that understands and supports the mission of Catholic education. The blessings could go on and on because at Holy Family -we are truly blessed! Happy Thanksgiving.

PARENT SURVEY FOR THE ARCHDIOCESE

Dear Parents,

About two week ago, I sent an invitation to you to participate in a very important survey among parents of elementary school students in the Archdiocese of Louisville. Our hope is to understand your opinions, and with your insight, continue to offer an elemen-

tary school experience that will meet the needs of children and their families for years to come. The survey will take approximately 10 minutes to complete, and we would like each household to complete one survey about their elementary school experience in general. If you have not already done so,

please click on the following link to complete the survey.

Superintendent of Schools

Congratulations to our girls and boys sport teams that represent Holy Family so well this season! You are all winners!

Inclement Weather Policy

It's getting close to that time of year where we watch the news for inclement weather. The decision to close or delay school is made by the Superintendent of Catholic Schools and announced via radio and television for the Catholic Schools of Jefferson County. One of the following announcements will be made:

All Catholic elementary and high schools in Jefferson County are OPEN. Catholic elementary & high schools in Jefferson County will be OPEN BUT ON A DELAYED SCHEDULE. All Catholic elementary schools in Jefferson County are CLOSED. At Holy Family our delayed schedule

is:

Doors open at 9:00 with school starting at 9:30am. No announcements will be made about early dismissal except in the case of extreme emergency determined by the archdiocese. Please keep this information close at hand these next few months.

Student Activities and Achievements

Holy Family had a great week for student achievements. Our 5/6 grade girls volleyball team showed the Archdiocese what a dominant dedi-

cated team they were. They are the City Champions in their division!

Our 5/6 th grade boys football team took the field in the

semi-finals of the city tournament. This is an achievement we have not had in 30 years.

A great accomplishment for 16 players! Congratulations!

Meet The Author

November 12 will be a special day for our junior high students. Author Betty Cobb Arnett will be speaking with the students about being an author, the writing process and some history of the

Camp Taylor area. Mrs. Arnett is a graduate of Holy Family School and a former teacher of Holy Family School where she taught writing and literature. The program which will begin at

10am will be held in the Riede Room and is open to the public. We are very lucky to have Mrs. Arnett with us to share her love of writing and Holy Family with our students.
